Cloverleaf Interchange
At the Junction of Trunk Highways 52, 3, and 55
Inver Grove Heights
Dakota County
Minnesota

HAER No. MN-76

Mike Whye, Photographer

March, 1994

Note: For more views of Cloverleaf Interchange, see HAER No. MN-76-A,
Cloverleaf Interchange, Bridge No. 5820.

- MN-76-1 Overall view of the cloverleaf from a hill near the southwest quadrant looking toward the northeast over the southwest leg and southwest ramp. Bridge No. 5820 is near the center of the photograph.
- MN-76-2 View from the south of the west approach, showing junction toward the northeast and the western side of Bridge No. 5820.
- MN-76-3 View of junction from the west, looking east along Trunk Highway 55 toward the western side of Bridge No. 5820.
- MN-76-4 View of junction from the northwest looking southeast over the northwest leg and northwest ramp of the cloverleaf toward the western side of Bridge No. 5820.
- MN-76-5 View of the junction from the north approach, looking south along Trunk Highways 52/3.
- MN-76-6 View from the east, looking west along Trunk Highway 55 toward the main portion of the cloverleaf and the eastern side of Bridge No. 5820.
- MN-76-7 View of junction from the south looking north along Trunk Highways 52/3.
